# KNEE DEEP IN LOGAN VILLAGE

Three  
Generations

**DOREEN WENDT-WEIR**

*Three generations of the Wendt Family give their view of life as it was lived in the Logan Village District from 1884.*

Doreen Wendt-Weir was born in Beenleigh, Queensland in 1928. Her father, grandfather and great-grandfather were dairy farmers on the Logan at Buccan and Chambers Flat.

World War II interrupted her studies at the Brisbane Girls' Grammar School where she aspired to journalism. Becoming a trained nurse and later an artist, she never lost her love of writing.

Doreen obtained her B.A. (Hons) degree at Griffith University in 2004.
